(98 min, Greg Fredette, 2009)
...AN INTIMATE, BEHIND THE SCENES LOOK AT BICYCLE CULTURE.
With Spokespeople, Cascade Bicycle Club, Bike Works, Totcycle, and others.
VEER explores America’s fast-growing bicycling culture by profiling five people whose lives are inextricably tied to bicycling and the bike-centric social groups they belong to. It follows these characters over the course of a year, offering a behind-the-scenes look at their personal struggles and triumphs.
VEER examines what it means to be part of a community, and how social movements are formed.
Please join us following the film in a facilitated discussion on local bike culture and biking in Seattle.
