The Mt. Baker Community Club and Mt. Baker Meaningful Movies are excited to co-present the civil rights music documentary, *Soundtrack for a Revolution*, followed by a Motown dance party!

The story of the American civil rights movement is told through its powerful

music – the freedom songs that protesters sang on picket lines, in mass meetings, in police wagons, and in jail cells as they fought for justice and equality.

A unique mix of historical documentary and contemporary musical performance, the film features new performances by top artists including John Legend, Joss Stone, Wyclef Jean, and The Roots; riveting archival footage; and interviews with civil rights foot soldiers and leaders,

including Congressman John Lewis, Harry Belafonte, Julian Bond, Andrew Young and dozens more.
